| <p>All AMA events to be flown per current AMA/FAI rules. 1st, 2nd, and 3rd place awards will be presented for the events listed above. Note: You are welcome to fly other AMA/FAI indoor events not listed above, however scores will not be kept for events which are not listed on the official contest schedule. Scheduled events have airspace priority. AMA/FAI records attempts are also welcome.</p> | | | |
| <p>All flights must be in the air by 7:30 PM each day. The digital clock displayed on the large scoreboard will be the official contest clock. Please Note: We must be out of the building by 8 PM each day!</p> | | | |

The Kent State Field house is an AMA /FAI Category II site measuring 49 feet in height. The roof is peaked in the middle which makes it an excellent site for setting glider records. Over the years records in F1D, LPP, EZB, HLG, SCLG, UCLG, A6, F1L, F1M, F1N, Cabin, Autogyro, and Ministick, have been set at this facility. The floor space is huge! It is a full-size football field surrounded by a six lane track. It is one of the premiere Cat II indoor sites in the USA and people come from across the USA and from Canada to attend.

F1D World Cup event: No rounds will be flown, fly your six flights at any time.

All contestants must have a valid AMA license or modeling license of their home country.

Entry Fee: AMA Adult: \$200 for the weekend if you pre-register before April 1st, after will be \$225. If you cannot attend for both days then the cost will be \$100/day.

AMA Youth Senior/Youth Junior : \$35.00 for the weekend

Contest Registration: <https://www.indoorffsupply.com/events>

Contest Director: Don Slusarczyk, email: dslusarc@gmail.com

Site Directions: The field house address is: 2227 Summit St, Kent, OH 44242 and is next to Dix Stadium

<http://www.kentstatesports.com/sports/2013/7/17/directionstodix.aspx?id=35>

Please bring your own tables and chairs if possible as there are a limited number of tables and chairs at the facility.

Helium is not provided for steering balloons.

Note: The men's and women's locker rooms are located on the south wall of the facility. During the contest a team may show up to dress for or to return from their sport. This is generally not an issue however I highly suggest not setting up your model table and planes near the locker room area.

Kent State is a smoke free/tobacco free campus (including vaping products) <https://www.kent.edu/smoke-free>

Thank you for your support!
